

# Project AWARE

## Chippewa Falls

Year 3  
Quarter I

### ABOUT PROJECT AWARE

The Project AWARE grant, provided through Substance Abuse and Mental Health Services Administration (SAMHSA), aims to increase awareness of behavioral and mental health issues among school-aged youth by promoting awareness among students, training school staff, and providing families with community resources. This report summarizes accomplishments for Quarter 1 (July 1<sup>st</sup> – September 30<sup>th</sup>, 2021) of Year 3.

#### TRAININGS

A total of 3 trainings were offered during Quarter 1 of Year 3. A total of 72 mental health-related staff were trained.\* The training with the most attended staff was “Understanding and Supporting Trauma in Schools”.

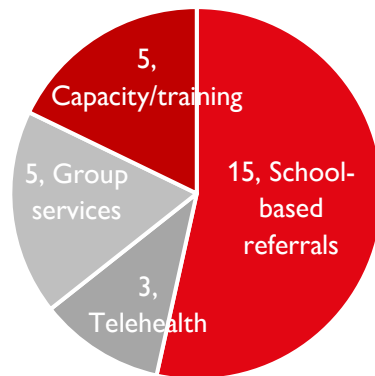

\*staff may have attended multiple trainings throughout the quarter

#### PARTNERSHIPS

One new partnership was developed in Quarter 1, along with 15 partnerships continuing from Year 2. Partnerships included a variety of non-profit, training, consulting, and mental health agencies and spanned Chippewa and Eau Claire Counties to serve a broad reach of students and families.

Type of Partnerships\*

\*Includes all partnerships from Year 1 to present

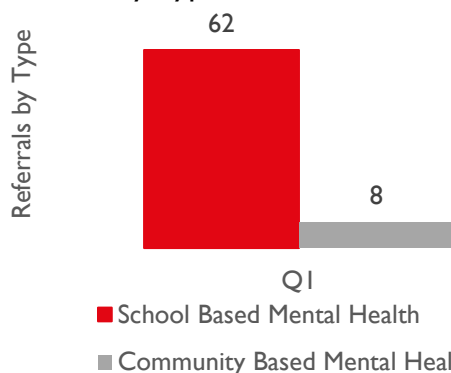

#### MENTAL HEALTH REFERRALS

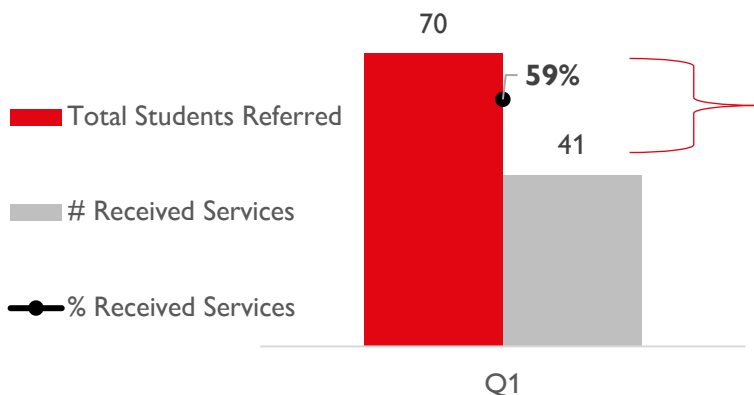

A total of 70 students were referred for mental health services in Quarter 1. As of October 20<sup>th</sup>, 2021, 59% of those students have received services thus far, with 83% of those who have not yet received services currently working with School Counselors and the Mental Health Navigator to receive services in the future.

Of those referrals, 89% were to school-based services and 11% to community-based services.

Referrals by Type (students may be counted twice)

Referrals & Services Received

Of the 29 students who did not yet receive services:

- 24 families are working with school counselors and the Mental Health Navigator to receive services
- 5 families declined services
- 0 students moved out of the district
